Assessment and Survey solutions Hold the Key to Cutting-Edge Enterprise Talent Management.

Five essential processes underwrite successful enterprise talent management:

- **Screen** to avoid hiring mistakes.
- **Job Match** for performance and retention.
- **Understand** to connect, motivate and develop.
- **Manage** to orchestrate progress and results.
- **Lead** to fully engage the organization in serving the enterprise's clear purpose.

Talent management process practitioners require knowledge, information, insight and direction to make the right moves.

Assessments and surveys hold the key to properly informing employees, managers and leaders.

The Hackett Group and Vision21 have teamed up to deliver the tools that enterprise clients need to perform, superbly.
